

How to create a catalogue of fusion programs with FBM

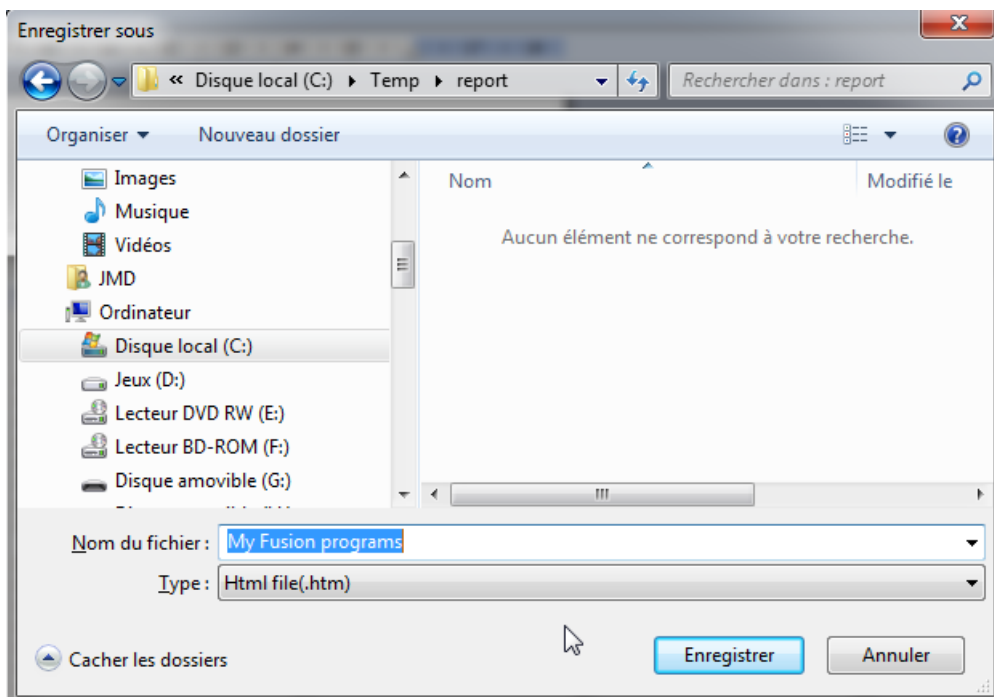

Plug the USB on the Fusion and computer and switch on the fusion.

Open FBM and select menu entry Tools / Catalogue / Create catalogue

A select directory box open : select your fusion volume directory

Then a “save as” box open to define the catalogue destination. Choose a place on your computer.

The catalogue opens automatically in your browser.

There is 2 kinds of catalogue :

1 – The classic style

Where each bank is described with the programs shortcuts.
